Message from Dave and Angharad

1) We are looking for the following items to borrow for our wedding and would be so grateful if anyone from church could help us out.

Rugs and blankets

Sofas/arm chairs

Cushions

Old white table cloths

Picture or mirror frames, large and small

We would prefer old things not people's best because the reception is mainly outside. If they can help they can text or ring me and we can collect items from them.

2) We are also looking for somewhere to live after the wedding from August until December. Anywhere in the ND area should be okay. If any church members know of any available properties to rent, we don't mind how small or cheap and cheery as long as we have some space together. Alternatively, please pray that something shows up!
