A chance to explore the Christian faith, ask questions and share your point of view. This course will run for 10 weeks beginning each week with coffee and cake. Please contact the office if you are interested in coming along.

Why do the Marriage Course? A strong, loving and life long relationship doesn't happen by chance. It takes effort and dedication to keep the fun and romance alive. We can all learn how to make even the happiest marriage better. You will be served with tea and coffee before listening to practical talks. There is never any group work and you will not be asked to share anything with anyone else in the group.
